## Swimming School Policies for Summer Camps

### Enrollment and Fees

Students are only enrolled into the sessions they are registered for, and are not automatically re-enrolled into subsequent camp sessions. The student's spot in the desired class is reserved once the availability is confirmed and tuition payment and necessary fees are received. **The \$25 registration fee is non-refundable.**

### Withdrawals / Cancellations

Written requests must be completed at the swimming facility. Please make sure to keep a copy of cancellation request for your records. There will be a \$25 fee for all cancellation requests. If the cancellation request was received over one month prior to your session's starting date, no additional fees will be applied. If the cancellation request was received within a month of your session's starting date, an addition fee of \$50 will be applied. If the cancellation request was received after your session's starting date, no refunds will be given back.

### Missed Classes and make-up policy

For **Group** and **Semi Private lessons**, there will be a free swim practice (no instructors) offered for missed classes. You will be issued a make-up practice ticket for a missed class. Swimmers under the age of ten must have **an adult** accompanying the student for their make-up practice. For **Private lesson**, in addition to the above make-up practice option, you may also choose to have a make up group lesson at the same level based on the schedule and space availability. All students are eligible for **1 free swim practice or lesson** each session. If Saratoga Star Aquatic cancels the class for any unforeseen reasons, refunds will be applied.

### Minimum Booking and Proration

Students that enroll into any camp sessions already in progress must sign up for all classes remaining in that session. Fees for the session in progress will be prorated by number of classes remaining for the session. **The registration fee is not pro-rated.**

### Scheduling

Saratoga Star Aquatics will make all efforts to schedule swimmers for preferred times. Swimmers might be enrolled in inappropriate levels or promoted from one level to the next. Saratoga Star Aquatics will make all efforts to reschedule swimmers for appropriate levels for the same times, but does not guarantee it.

### Change Classes

If you would like to change the time of your class, Saratoga Star Aquatics will make all efforts to reschedule swimmers for preferred times based on the availability of the classes. One time class change is free of charge within one month and \$20 processing fee will be applied for any more changes within one month.

### Family Credit

Family credit can be used for your swimming classes within one year. After one year, the credit will be invalid. If you withdraw or cancel registered classes, the family credit will not be refunded and the credit can only be used for future classes within one year.
